With its stunning seaside setting, sprawling layout over 25 acres and authentic Mexican design scheme, the **One & Only Palmilla** strikes a perfect balance between laid-back and uber-chic. Jean-Georges Vongerichten's Market restaurant thrills foodies while an ESPA with 13 private treatment villas, three picture-perfect pool areas and access to some of the area's top golfing – including a 27-hole Jack Nicklaus signature course – keep everyone entertained. Butler service is provided to all rooms, with dedicated butlers assigned to each suite. [www.LHW.com/palmilla](http://www.LHW.com/palmilla)

#### *On the Riviera*

**Banyan Tree Mayakoba** celebrates the stunning natural setting of the Riviera Maya's ecologically sensitive Mayakoba development. Interiors offer a mix between authentic Mexican touches and Asian serenity, and the property's many lounge areas, with striking ocean views, invite relaxation. The award-winning spa is a major draw, as are the villas with their own pools and guests' access to the Greg Norman-designed golf course. #### *Coastal Pampering*

At **Secrets Marquis Los Cabos** it's difficult to decide what is more beautiful: the sweeping vistas of the Sea of Cortez or the colourful, comfortable interiors complete with original works of art. Spa Marquis, a Leading Spa focused on mind-body wellness, is one of the best - and largest - in Mexico. Equally acclaimed is Canto del Mar, the property's fine-dining restaurant. Restricted to adult guests, Marquis is a perfect enclave for escaping the winter blues.
